

SINOFLORAL

A woman with dark hair is shown from the chest up, looking upwards and to the left. She has a small cluster of pink flowers tucked behind her ear. To her right is a large, dark green ceramic vase filled with a variety of artificial flowers and plants. The arrangement includes tall, thin branches with clusters of small pink flowers, larger pink chrysanthemum-like flowers, and branches with small red berries. The background is a textured, light blue wall.
